School Accountability Report 2007-2008 School Year

School Performance Summary

Overall Academic Performance on State Assessments **High**

Academic Growth of Students **High**

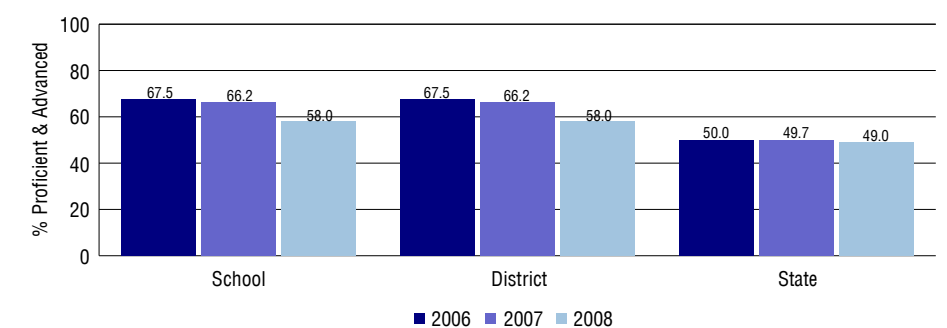

Overall Academic Performance on State Assessments

Each school in the State received a rating of "Excellent", "High", "Average", "Low", or "Unsatisfactory" for student academic performance based on 2007-2008 CSAP and COACT results. The rating is calculated using weighted percentages of each CSAP proficiency level for all content area and grade results for the school, as well as average COACT Reading, Writing, and Math Grade 11 results.

Academic Growth of Students

Each school in the State received a rating of "Low", "Typical", or "High" for student academic growth based on CSAP results. The calculation method is new for 2007-2008. The rating is calculated using student percentile scores matched over two years. More information about the Overall Academic Performance rating and Academic Growth of Students calculations can be found here: http://www.cde.state.co.us/cdeassess/SAR_Info.html.
